						The exact date of the start of Solomon's Temple is necessary to have a precise Bible Chronology. This event occurs on the 480th anniversary of the second month of the Exodus <u>on</u> the 52nd day from Nisan 10 when Moses first goes on Mr. Sinai in Exodus 19:1-15. Moses comes down Mount Sinai and three days later, on Sivan 6, the nation of Israel hears God speak from the Mountain as is described in Exodus 19:16-24:8. This event, the First Pentecost, happens <u>on</u> the 52nd day from Nisan 14-the 1st Passover in 1445 BC. In 30 AD, Pentecost falls on Sunday May 26-Sivan 6 (GH) 51 days <u>after</u> the Nisan 14 Crucifixion.
